

ENR 5.2 MILITARY EXERCISE AND TRAINING AREAS**1. TEMPORARY SEGREGATED AREAS (TSA)****1.1 General**

Temporary Segregated Areas (TSA) are airspaces of predefined dimensions temporarily segregated and allocated for the exclusive use of a particular user during a determined period of time and through which other traffic will not be allowed to transit.

1.2 Information about use

Information about use will be published in the "Daily navigational warning summary for København FIR and adjacent waters" issued by TACDEN Flight Information Service. Short term information about active TSA's may be obtained from DENMIL or COPENHAGEN CONTROL.

1.3 Special for IFR flights

IFR flights should flightplan to avoid an active TSA using the ATS route system. When a TSA is inactive, CDR's will be made available through daily CRAM issued by CFMU.

Note: The areas are shown on LFC-RDAF Denmark 1:500.000, reverse.

1.4 Special for VFR flights

VFR flights should avoid entering an active TSA.
